

SUMMER 2022 INTENSIVE DAY PROGRAM

The Brae Crest School of Ballet's 2022 Summer Intensive is a rewarding dance experience that is uniquely designed for students to enjoy during the summer. While some travel far distances for expensive summer programs, BCSB has created intense day programs which educate and give exposure to dancers, right here in Rhode Island!

Under the supervision of SBRI Executive Director & Choreographer, Ana Marsden Fox, and SBRI Artistic Director & BCSB Director, Ms. Herci Marsden, the program offers many top quality teachers and master guest teachers who are dedicated to the learning process and growth of each individual student.

Class sizes are limited. Students will participate in four to five classes per day and enjoy a comprehensive curriculum that focuses on developing well-rounded dancers through exposure to a variety of disciplines, with an emphasis on classical ballet technique and intelligent, passionate performance.

"The mission of BCSB's Summer Intensive is to nurture a universal understanding of the art of ballet and its significance at the highest possible level, emphasizing not only the importance of quality and technique, but also ballet as a powerful means of expression, art, and living."
